In the evening, we can organize an optional party in the middle of the dunes, around a campfire, enlivened by a local who will play the flute so we can hear the sound of silence in the dunes under a dome of stars, while another local prepares desert bread under the sand, called "Jobs el Mela". This activity depends on the availability of the local team and on weather conditions.

Breakfast. Departure at dawn to photograph the sunrise over the dunes. We visit the mystical village of Guermessa and the mosque of the seven sleepers of Chenini, where the indigenous Berbers keep their ancestral way of life. The village is built on ridges in the form of fortified citadels and offers visitors unusual panoramas. Continue to Ksar Hadada to visit the ghorfas (granary houses). Lunch. In the afternoon, continue to the impressive Ksar Ouled Soltan. A trip following the steps of our nomadic ancestors, who practiced transhumance and used the ksars to store their food. Check-in at Ksar Hadada, a troglodyte hotel where Star Wars was filmed, made up of "ghorfa houses" full of magic and age-old stories. Dinner and overnight.
