- If there is any error in the flight information provided, or if you want to change the transfer time or date, the change has a supplement. Even so, the change cannot be guaranteed because of timing or availability. If passengers arrive on a different flight than the one reported and the new flight was not communicated, the transfer will be cancelled automatically. For flights arriving between 22:00 and 06:00 at KIX, the transfer has a supplement. For flights arriving between 06:00 and 06:29, the supplement is not charged, provided the clients agree to wait for the assistant to arrive from 06:30. For flights between 01:00 and 10:30 at NRT and between 01:00 and 9:30 at HND, the departure transfer is charged with a supplement. As a courtesy of the Operator, special excursions will be offered: Cherry Blossoms 2027, in the first week of April; Autumn colored leaves, in November; Cherry Blossoms 2028, in the last week of March. These tours may change depending on the cherry blossom bloom, the change of leaf color and the weather. The dates from April 29 to May 5 (Japanese Golden Week) and from August 11 to 15 (Obon Festival) coincide with expected traffic congestion. In Japan, the double bed is not common. It is available in some hotels in the Superior and Luxury categories, with no guarantee. Check-in is from 3 pm. For flights departing before 11:30 from Tokyo (NRT/HND), there may not be time to have breakfast. There is no way to offer a takeaway breakfast or a refund. If a passenger's attitude puts the operation of the tour at risk or bothers the rest of the group, they will be required to leave the tour, with no refund for the services they cannot use. Depending on weather conditions, visits may be replaced by others, such as museums and temples. The panoramic view of Mount Fuji also depends on the weather. Bookings close 21 days before arrival in Japan. After that date, any change or additional service will have a management supplement.
