Not by chance, it is voted among the top places of the best vacation destinations: great beaches, award-winning restaurants, endless parties, exclusive yachts, dream villages and beautiful people. Its beaches, with five-star service, have fine white sand and are surrounded by austere vegetation, while the sea is turquoise, with crystal-clear water. Breakfast. At the scheduled time, transfer to the port to board the ferry to Santorini. Arrival and transfer to the hotel. Overnight stay. Rest of the day free. Santorini is one of the Cyclades islands, located in the south of the Aegean Sea. It was devastated by a massive volcanic eruption in the 17th century BC, which shaped its striking rugged landscape and its famous caldera. The Venetians called it Santorini in reference to Saint Irene, the name of a church on the island. Its cubic houses were not built at sea level, but whitewashed on the inner slope of the volcanic caldera, forming the two main towns: Thira and Oia. They overlook the sea, the small islands to the west and the white, red and black lava stone beaches. It is also one of the few places in the world that preserve architectural ensembles of cave houses on volcanic soil. From the 1980s to today, many couples from all over the world have chosen it for weddings or as a honeymoon destination, because it is a dream, picturesque island that stays in the heart of every visitor for its unmatched beauty. The captivating sunset view, the minimalist architecture of the Cyclades, the spectacular rocky landscape and the volcano are the main features of this fascinating island.

You can walk through the picturesque villages of Thira and Oia, enjoy the renowned beaches, visit the Archaeological Museum, the Museum of Prehistoric Thira, the excavations of Akrotiri or take a boat trip around the caldera (volcano, hot springs, Thirasia, Oia), and also visit the Wine Museum for a tasting.
