Day by day

1

DAY 1

MALTA

Arrival at Malta Luqa airport. Transfer to the hotel and overnight stay.

2

DAY 2

MARSAXLOKK AND BLUE GROTTO

Breakfast. The idyllic fishing village of Marsaxlokk, with its colorful luzzus and unique character, is the perfect setting for the typical market. It is an ideal place to spend a Sunday morning, mingling with the locals while strolling among the stalls. We continue to Wied iz-Zurrieq, where there is the chance to take a boat trip to the Blue Grotto, famous for its crystal-clear waters. Then our guide takes the group to explore one of Malta's small hidden villages. From the main square to the parish church, we walk through a maze of lanes full of history. (The price of the boat trip is not included and depends on weather conditions). Overnight stay.

3

DAY 3

VALLETTA

Breakfast. Walk through the lively streets of Valletta, discovering the charm and beauty of this fortified city, built by the Knights of St. John in 1566. The Order ruled the islands for 268 years, leaving a unique cultural legacy, of which Valletta is the best example. We start the visit at the Upper Barrakka Gardens, with panoramic views of the Grand Harbour. We continue to St. John's Co-Cathedral and its oratory, which houses the impressive paintings by Caravaggio. This cathedral has one of the most exceptional marble floors in the world. Going down Republic Street, we pass the Grand Master's Palace and the recently restored St. George's Square. We finish with the Malta Experience audiovisual show.

4

DAY 4

MDINA

Breakfast. The excursion takes us to the central part of Malta, dominated by the medieval fortress of Mdina, the former capital of the country. Its narrow medieval streets lead to imposing bastions with magnificent views of the island. As we walk, we see different architectural styles, from Sicilian-Norman to Baroque, all of great importance. The “Silent City” is an ideal setting for film productions, as its atmosphere seems frozen in time. Leaving Mdina through the Greeks Gate, we stop to visit the Christian catacombs in Rabat, before heading to the Dingli cliffs. After lunch, we explore St. Anthony's Gardens, next to the Presidential Palace, which we can admire from the outside. Overnight stay.

5

DAY 5

THE THREE CITIES AND HARBOUR CRUISE

Breakfast. We visit the Grand Harbour area opposite Valletta, known as the Three Cities: Vittoriosa, Cospicua and Senglea, where the Knights of St. John settled in 1530. Passing through Cospicua, we reach Vittoriosa to walk its narrow streets, in the shade of its historic buildings, including the first inns of the different Langues into which the Order was divided. From the Vittoriosa marina, we board a dgħajsa, a typical Maltese boat, for a mini cruise around the colorful inlets of the Grand Harbour. From the Senglea Gardens, at the tip of the peninsula, we have a 360° panoramic view of the Grand Harbour, including Fort St. Angelo, from where Grand Master La Valette led the defense of the islands during the Great Siege of 1565. In the afternoon, we take a cruise around the two harbours of Valletta: Marsamxett and the Grand Harbour, which played a vital role in Malta's history. From the sea, you can appreciate the grandeur of Valletta, an opportunity for photography lovers. After the cruise, there is free time in the shopping area of Sliema, where you can stroll or relax in one of its cafés. Return to the hotel at 18:00. Overnight stay.

6

DAY 6

GOZO

Breakfast. We take a ferry for a short 20-minute crossing to Mgarr harbour, the gateway to the island of Gozo. We visit the megalithic temples of Ggantija, considered the oldest free-standing structures in the world, even older than the pyramids of Egypt. Next, we explore Victoria, the island's capital, and its impressive Citadel. Gozo is famous for its handmade crafts, especially its lace and bobbin textiles. Its green landscapes, serenity and charm contrast with the island of Malta. Return to Malta. Overnight stay.

7

DAY 7

HAGAR QIM TEMPLE AND LIMESTONE HERITAGE

Breakfast. Visit to one of the oldest quarries in Malta, turned into an attraction that tells the story of one of the island's oldest industries: the use of limestone in construction. We explore Hagar Qim, the most important prehistoric site in Malta, with unmatched views of the Mediterranean and the islet of Filfla. Rest of the day free. Overnight stay.

8

DAY 8
