- For logistical reasons, the program may vary in the order of activities, or even be run in the opposite direction. This does not change any of the inclusions. Day 3 is a long day and may involve waits due to logistical complications. Departure from the hotel will be very early, and arrival at the next hotel will be at night, in order to complete the program. Those who book the optional excursion up to the Pulpit Rock will arrive very late and will not be able to have dinner, so we recommend buying something for dinner in advance. The team will do its best to make the day as comfortable as possible given any unforeseen events. On the August 21 and 22 departures, due to high occupancy caused by an event, accommodation in Stavanger may be in the surroundings of the city or in another town, such as Haugesund (Quality Maritim, Clarion Air, Clarion Energy, Clarion The Edge, Scandic Haugesund or similar), on day 3 of the itinerary (day 5 on the reverse itinerary). As compensation, a complimentary dinner will be offered.
- Transfers on holidays or at night (10 pm to 6 am): supplement on request. Prices are based on the exchange rates in effect on the day the program was quoted. In case of exchange rate fluctuation, any price increase will be communicated.
