ISTANBUL

Breakfast. Departure for the “Pearls of the Golden Horn and Bosphorus” excursion, with lunch at a restaurant serving local food. Departure at 8:00 (time to be confirmed) to visit the old Jewish quarter of Balat, the Greek quarter of Fener and take in the views of the “Golden Horn”. Next comes a visit to the Cathedral of St. George, the main patriarchate of the Greek Orthodox Church, and to the Suleymaniye Mosque, designed by the Ottoman architect Mimar Sinan, with the largest dome among the mosques of Istanbul. Then the Spice Bazaar, a place of special charm for its colors and aromas, ideal for buying teas, herbs, dried fruit, typical sweets and, of course, spices. The excursion ends with a boat ride on the Bosphorus, to see Ottoman fortresses, palaces, mansions and the bridges between Europe and Asia. The Flavors of Istanbul program presents the city's cuisine through its most traditional flavors, combining history, culture and local cooking to get to know Istanbul from another perspective. Overnight.

3

DAY 3

ISTANBUL

Breakfast. Free day. Option to take the optional excursion “Jewels of Constantinople”, with lunch. Departure at 8:00 (time to be confirmed) to visit the historic center of the city, where traces of the different empires that shaped today's Istanbul can be seen: the Roman Hippodrome, the Obelisk of Theodosius, the Obelisk of Constantine and the German Fountain. Visit to the Blue Mosque and a panoramic view of Hagia Sophia (ask for the entrance supplement), Topkapi Palace and the Grand Bazaar, one of the largest and oldest covered markets in the world, where haggling is a tradition. Overnight.

4

DAY 4

ISTANBUL / CAPPADOCIA (FLIGHT)

Breakfast. Transfer to the airport for the flight to Cappadocia. Arrival and transfer to the hotel. Dinner and overnight.

5

DAY 5

CAPPADOCIA

Breakfast. Departure around 08:00 to visit the region, with an original landscape formed by volcanic lava more than 3 million years ago. It begins with the Göreme Open Air Museum, a monastery with chapels carved into volcanic rock and decorated with 13th-century frescoes. Next come the valleys of the region, with “otherworldly” landscapes, and views of the geological formations that are the local symbol, the famous “fairy chimneys”. There will be a stop to enjoy the wide panoramic view of some of the volcanic rock valleys with spectacular shapes. Continuation to the underground city of Cappadocia, one of the many engineering works built by ancient local communities to protect themselves from attacks throughout history. At the end of the route, a visit to a carpet and gemstone center. Return to the hotel. Dinner and overnight. Option to take an optional excursion, such as the “Turkish Night”, with folk dances in a cave, the “Jeep Safari” through the valleys of the region or the “Balloon Ride”, early in the morning, to see the landscape from above.

6

DAY 6

CAPPADOCIA / PAMUKKALE

Breakfast. Departure around 06:00 for Pamukkale, to visit ancient Hierapolis and the Cotton Castle, a natural wonder with a giant cascade, stalactites and natural pools. The name “Hierapolis” comes from Greek and means “holy city”, in reference to the many temples and religious sites the city once had. One of the most notable features of Hierapolis was its famous theater, with room for thousands of spectators, which is still largely preserved today. The city gained fame as a spa and healing destination because of its natural thermal waters and its white limestone pools. These mineral-rich waters formed natural terraces and cascades known as “Pamukkale”, which in Turkish means “cotton castle”. Pamukkale and Hierapolis are on the UNESCO World Heritage list for their historical importance and natural beauty. The region is also known for cotton production, and there will be a chance to see locally made textile products. Dinner and overnight.

7

DAY 7

PAMUKKALE / SELÇUK / IZMIR / KUŞADASI

Breakfast. Departure around 08:00 to visit the House of the Virgin Mary, on a nearby hill. The place is venerated as the last home of the mother of Jesus who, according to Christian tradition, spent her last years in Ephesus under the care of the apostle John. Today the house is an important pilgrimage site, for both Christians and Muslims, who consider it a sacred place. Pass through Selçuk, for a panoramic visit to this city of rich history, seeing the Ottoman castle, the Basilica of St. John and the Temple of Artemis, which made Ephesus an important religious and cultural center of Antiquity. The visit continues at a showroom specializing in leather goods, where you see products made from sheepskin and famous for being lightweight. Dinner and overnight.

8

DAY 8

IZMIR / KUŞADASI / ISTANBUL (FLIGHT)

Breakfast. Transfer to Izmir airport for the return flight to Istanbul. Arrival and transfer to the hotel. Overnight.

9

DAY 9
