Breakfast. Departure from the hotel at 8:30 for Cambridge, the university town par excellence, where we take a walking tour to admire the architecture of different eras in its ancient university colleges. Founded in 1209, it is the second oldest English-speaking university in the world, and great names such as Isaac Newton, Stephen Hawking and Charles Darwin passed through its classrooms. The academic influence can be felt in every corner of the city. Before heading to our final destination, we stop for lunch. Arrival in York, where we walk its charming streets and can take photos on the popular The Shambles, a very well-preserved medieval street with timber-framed buildings, once occupied by butchers. The name comes from the Anglo-Saxon word "fleshammels", meaning "shelves of meat". Today the area is full of shops, cafes and restaurants, and it is said to have inspired Diagon Alley in the Harry Potter books and films. We also pass beside the splendid Gothic cathedral, the second largest in northern Europe, famous for its beautiful stained glass and imposing towers. Accommodation.

4

DAY 4

YORK-HARROGATE / DURHAM / ALNWICK / EDINBURGH

Breakfast. Departure for Durham, where we take a short walking tour and see the captivating cathedral, a masterpiece of Norman architecture that dominates the city from the top of a hill. For its rich history and impressive architecture, the complex has been declared a UNESCO World Heritage Site. We continue north, with a panoramic view of Alnwick Castle, an imposing fortress with more than 700 years of history and the official residence of the Dukes of Northumberland. Not by chance, it served as a backdrop for films such as Harry Potter, Elizabeth and Robin Hood. Time for lunch. We continue along the coast to Edinburgh, where we take a short panoramic tour to introduce us to this historic city. Accommodation.

You can walk the famous Royal Mile, the avenue linking the imposing Edinburgh Castle, where the Crown of Scotland is kept, to the Palace of Holyroodhouse. You can also visit the beautiful St. Giles' Cathedral, a pillar of Scottish history in the very heart of the city. If you wish, you can enter the National Gallery of Scotland or go to the port of Leith to see the Royal Yacht Britannia, the emblematic ship that served as a floating residence for the British Royal Family. Edinburgh is the second most visited city in the United Kingdom after London and has been home to the Scottish Parliament since 1999. You can see its cutting-edge building and relax in the busy Princes Street Gardens. Accommodation.

Then, we visit a whiskey distillery in the region, where we learn about the production process step by step, from the selection of grains to aging in oak barrels. We continue through picturesque villages such as Stirling and Callander. We climb through mid-mountain passes, with impressive panoramic views, to the Trossachs National Park, an oasis of nature and beauty in the heart of Scotland, where we stop for lunch. Arrival in Glasgow, the largest city in Scotland. On the panoramic tour, the Victorian architecture and unique charm of the city will win you over. Glasgow offers an excellent combination of culture, shopping, food and nightlife. We see its green spaces and the famous Buchanan Street and pass the cathedral before reaching the hotel. We also pass the painted murals that reflect the differences between the Protestant and Catholic neighborhoods. Arrival in the Titanic Quarter, where admission to Titanic Belfast is included, an interactive museum that tells the story of the famous ocean liner, from its construction to its tragic voyage. After the visit, free time for lunch and to explore the area. We continue through the Mourne Mountains and arrive in Dublin, capital of the Republic of Ireland. We take a panoramic tour of the city, seeing its main attractions: the Custom House, Dublin Castle, Phoenix Park and the colorful Georgian doors. We also see Trinity College and St. Patrick's Cathedral. Accommodation.

8

DAY 8

DUBLIN / ATHLONE / GALWAY

Breakfast. Departure from Dublin with a short panoramic tour, showing different areas of the city and the contrast between the historic districts and the more modern neighborhoods. We leave the capital heading for the west of Ireland, crossing the heart of the country through increasingly open and rural landscapes. The first stop is Athlone, practically at the geographic center of Ireland and crossed by the River Shannon, the longest in the country. This strategic location has made the town an important link between east and west since the Middle Ages. Highlights include the castle, originally built in the 13th century by the Normans and rebuilt several times throughout history. We can also enjoy the lively riverside promenade and the local atmosphere. We continue to Galway, known as the "City of the Tribes", in reference to the fourteen merchant families of Anglo-Norman origin who dominated its political and economic life between the 14th and 17th centuries. On the west coast, on the shores of the Atlantic, Galway is today an important cultural center, famous for its festivals, traditional music and youthful, dynamic atmosphere. Dinner and accommodation.

9

DAY 9

GALWAY / LIMERICK / CORK

Breakfast. Departure for the Cliffs of Moher, first crossing The Burren, a vast stretch of limestone land protected by UNESCO that opens out before the Atlantic Ocean. Its Gaelic name, "Rocky Place", perfectly describes the rugged, steep landscape that accompanies us on this route. Arrival at the Cliffs of Moher, whose imposing height reaches 200 meters above sea level and which stretch for 8 kilometers. You can visit the visitor center and have a unique experience in contact with nature. We continue to Limerick, where there is free time to stroll the streets and have lunch by the River Shannon. We then go on to County Cork, known as "The Golden Vale", a region of great scenic, cultural and culinary richness. In Cork, we take a panoramic tour of the city, passing emblematic places such as St. Anne's Church in Shandon, the Clock of Lies and the Protestant Cathedral of St. Fin Barre. We also see that Cork developed between canals and branches of the River Lee and has a port of great historical and commercial importance. Accommodation.

10

DAY 10

CORK / CASHEL / DUBLIN

Breakfast. Departure for the Rock of Cashel, an imposing fortress that rises above the Irish plain and offers spectacular views of the surrounding landscape. Built before the Norman invasion, it was later handed over to the Church and is linked to local traditions related to St. Patrick, patron saint of Ireland. We visit this impressive fortress and walk through its medieval streets, experiencing the unique atmosphere of the place and its important historic and cultural value. We continue to Dublin, arriving at lunchtime. The rest of the day is free to enjoy this cosmopolitan city. Dublin offers a wide variety of activities, from museums and art galleries to walks along lively streets and a bustling atmosphere. It will be the last chance on the tour to shop in Irish lands, with time to find crafts, clothing, books and, of course, whiskey. Accommodation.

11

Free time for lunch, to walk around the harbor and admire the Elizabethan-style houses before continuing the route. Arrival in Liverpool, where we take a panoramic tour. The city is the birthplace of the legendary rock band The Beatles and was European Capital of Culture in 2008. Liverpool also has one of the most important ports in England.
