Then, departure for Lake Sevan, about 60 km north of Yerevan, one of the largest alpine lakes in the world and the largest in Armenia. The lake, at about 2,000 meters above sea level, covers roughly 5 % of the surface of Armenia and stands out for its crystal-clear waters and the beauty of its surroundings. Visit to Sevanavank Monastery, founded in the year 874 and located on a peninsula of the lake. Continuation to Yerevan. Arrival and overnight stay. Next, visit to a cognac (brandy) factory to learn about the production tradition of the Armenian drink, famous for its variety of aromas and flavors and for having been one of Winston Churchill's favorites. Departure for Echmiadzin, about 20 km from Yerevan, to visit the cathedral, the spiritual center of the Armenian Church and considered one of the first Christian churches in the world. On the way back to the capital, visit to the ruins of the Zvartnots temple, whose name means "celestial angels". A magnificent example of 7th-century Armenian architecture and a UNESCO World Heritage Site, its construction began in the year 642 under the direction of Catholicos Nerses III, on the site where, according to tradition, the meeting between King Tiridates III and Saint Gregory the Illuminator took place.
