## SOUTH COAST AND BLACK BEACHES, ICELAND

Breakfast at the hotel. A day of scenery on the south coast. Seljalandsfoss waterfall, 60 meters high, about 120 km from Reykjavík. We also visit Gljúfrabúi waterfall, hidden behind a narrow rock crevice, just a 10-minute walk from Seljalandsfoss. Skogafoss waterfall is 62 meters high and almost 30 meters wide. The water falls onto a bed of black stones that contrast with the green of the hillsides. In winter, snow covers everything in white. Then Reynisfjara Beach, in Vík, a black sand beach near the village of Vík í Mýrdal. It is known for its basalt columns and sea stacks, and is considered one of the most dangerous beaches in the world because of its strong and treacherous waves. Return to the hotel in the South Zone. Overnight in the South Zone of Iceland.

DAY 10 · MAR 8, 2027

## GLACIERS, ICEBERGS AND ICE CAVE, ICELAND

Breakfast at the hotel. The tour starts at the Eldhraun Lava Fields (Fire Lava Field), a 565 km² lava field in southern Iceland, near the village of Kirkjubæjarklaustur. Formed between 1783 and 1784 by the eruption of the Laki fissures, it is now covered by a thick layer of green moss over the volcanic rocks. We continue to Jökulsárlón Lagoon, in the southeast of the country, where large blocks of blue ice break off the Vatnajökull glacier and float out to the ocean. Next, Diamond Beach, a black sand beach where ice blocks from the glacial lagoon shine on the sand like diamonds. The ice caves in the Vatnajökull glacier are natural formations of translucent blue ice that renew every year. Overnight in Southeast Iceland.

Meals included: breakfast

11

DAY 11 · MAR 9, 2027

## SOLHEIMAJOKULL AND LAVA CENTRE, ICELAND

Breakfast at the hotel. Sólheimajökull is an outlet glacier in southern Iceland, about 11 km long. It is part of the Mýrdalsjökull ice cap and has bands of dark volcanic ash. The Lava Centre is an interactive exhibition in Hvolsvöllur, on Iceland's south coast, dedicated to volcanic activity, earthquakes and the geological forces that shaped the Icelandic territory. Overnight in the South Zone.

Meals included: breakfast

12

DAY 12 · MAR 10, 2027

## REYKJANES PENINSULA AND BLUE LAGOON, ICELAND

Breakfast at the hotel. The Reykjanes Peninsula is a volcanic region in southwestern Iceland, with lava fields, hot springs and seismic activity, as it sits on the Mid-Atlantic Ridge. Then the Blue Lagoon, a natural geothermal pool with turquoise waters, rich in silica and sulfur, in a volcanic area. Overnight in Reykjavík.

Meals included: breakfast

13

DAY 13 · MAR 11, 2027

## REYKJAVÍK, ICELAND

# Documents and notes

## Travel documents required

Brazilian citizens need a passport valid for at least 3 months after the planned date of departure from the Schengen Area (and issued within the last 10 years).

Passengers of other nationalities must check with their embassies or consulates whether they need entry visas.

Please check with your travel consultant which documents and vaccines this itinerary requires at the time of booking.

Also check whether ETIAS will already be in effect.

## Travel insurance and trip cancellation insurance

Travel insurance is mandatory. Your TWTS consultant will recommend the right coverage, including cancellation insurance (check the policy). Purchase it when you book the package: cancellation insurance is only valid if bought together with the trip.

## Important notes

- We reserve the right to change and/or cancel the program for reasons beyond our control.
- We recommend purchasing the mandatory travel health insurance for your peace of mind. Ask your TWTS consultant which insurance best meets your needs.
- Prices are shown in US dollars or euros and will be converted into reais at the exchange rate on the payment date.
- Hotels, airline, planned flights and tours may be replaced by others of similar category due to force majeure.
- Limited seats. Programs may sell out without prior notice.
- No bookings will be made without payment. See the terms and conditions.
