Day by day

1

DAY 1

AMMAN

Departure on a scheduled flight to Amman. Arrival and assistance from our team. Visa formalities. Transfer to the hotel. Dinner (if you reach the hotel before 21:00). Overnight stay.

2

DAY 2

AMMAN / JERASH / AJLUN / AMMAN

Breakfast. Panoramic visit of Amman: its main avenues, the Citadel, the downtown area and the Roman Theater. Continuation to Jerash, one of the cities of the Decapolis, north of Amman (about 45 km). During the excursion, visit to Hadrian's Arch, the Oval Plaza, the Cardo, the Colonnade, the Temple of Aphrodite and, to finish, the Roman Theater, famous for its acoustics. Then a visit to Ajlun Castle, a fortress built in 1185 and rebuilt in the 13th century by the Mamluks after the Mongols destroyed it. It is a Crusader-era castle at the top of the mountain, with a fine view. Return to Amman. Dinner and overnight stay.

3

DAY 3

AMMAN / DEAD SEA

Breakfast. Departure for the Dead Sea, the lowest point on Earth, 400 meters below sea level. Swimming possible. Dinner and overnight stay.

4

DAY 4

DEAD SEA / MADABA / MOUNT NEBO / SHOBAK CASTLE / PETRA

Breakfast. Departure to visit the Greek Orthodox Church of Saint George, home of the first mosaic map of Palestine. Continuation to Mount Nebo, for the panorama of the Jordan Valley and the Dead Sea from the mountain. The place is important because it was the last one visited by Moses, from where the prophet saw the Promised Land, which he would never reach. Continuation to Shobak Castle, a lonely reminder of the old glory of the Crusaders, built in 1115 by King Baldwin to defend the road between Damascus and Egypt. The castle is less than an hour north of Petra. Once called "Mont Real", it is set into the slope of a mountain, above a wide area of fruit trees. Departure for Petra. Dinner and overnight stay.

5

DAY 5

PETRA

Breakfast. A full day for the visit of the Rose City, the capital of the Nabataeans. During the visit you see the most important monuments carved into the rock: the Treasury (internationally famous for appearing in an Indiana Jones film), the Colored Tombs, the Royal Tombs and others. Petra is one of those places in the world that you should visit at least once in your life. Return to the hotel in the afternoon. Dinner and overnight stay.

6

DAY 6

PETRA / LITTLE PETRA / WADI RUM / AQABA

Breakfast. Departure for "Little Petra", only 15 km north of Petra. A canyon only 2 meters wide and the typical Nabataean architecture make the visit unique. It was inhabited by the Nabataeans and has tombs, water reservoirs and channels; a trail leads to some inner areas, the Siq Al Bared. The scale of the place and the fact that it continues Petra gave it the name Little Petra. Continuation to Wadi Rum, the desert of Lawrence of Arabia. 2-hour excursion in a 4x4 driven by Bedouins: a ride through the lunar landscape of the desert, entering its pink sands and seeing the granite massifs shaped by nature into whimsical forms. At the end, departure for Aqaba. Arrival. Dinner and overnight stay.

7

DAY 7

AQABA / AMMAN

Breakfast. Free day. At the scheduled time, overland transfer to Amman. Arrival at the hotel. Dinner and overnight stay.

8

DAY 8

AMMAN

Breakfast. At the scheduled time, transfer to the airport to leave on a scheduled flight to your home city. End of our services.
