Day by day

1

DAY 1

TROMSØ

Arrival in Tromsø. Located at 69 degrees north, Tromsø lies 320 km above the Arctic Circle. Visitors are surprised to find a city with international-standard hotels, lively cafés, top-level seafood restaurants, an active cultural scene, lively nightlife, museums and art galleries. Transfer to the hotel on your own, with the option of booking one for an extra charge. Rest of the day free. Optional activities can be booked for the evening. Overnight stay.

2

DAY 2

TROMSØ-POLAR PARK-SVOLVÆR (430 KM)

Breakfast. Departure for Bardu and a visit to the Polar Park. There you can see some of the most representative animals of the Arctic region, such as the lynx, gray wolf, wolverine, moose, reindeer and Arctic fox. The presence of every animal cannot always be guaranteed, due to their natural behavior, weather conditions and other unpredictable factors. Lunch on your own along the road. Continue to the Lofoten Islands, considered among the most beautiful in the world. In winter, sudden changes of light create landscapes of great beauty, which have inspired many artists. Arrival in Svolvær, the capital of the Lofoten Islands and the most populous town in the archipelago. Overnight stay.

3

DAY 3

SVOLVÆR, LOFOTEN ISLANDS AND NORTHERN LIGHTS (290 KM)

Breakfast. We keep exploring the Lofoten Islands, dominated by imposing snowy peaks reflected in the sea. Separated from the mainland by the Vestfjord, the islands form a chain 150 km long, made up of islets, small bays and picturesque fishing villages, whose main activity is cod fishing, with the fish then air-dried to produce stockfish, exported in large quantities to Spain and other countries. The Lofoten Islands also stand out for their history, culture and folklore. We visit the Lofotr Viking Museum, located on an archaeological site discovered in 1983 near Borg, where a typical Viking settlement has been rebuilt and where you can learn more about the history, culture and traditions of this legendary people. After dinner, we head out to hunt for the northern lights with the tour leader. If the sky is clear and luck is on our side, we may admire this spectacle of nature above us. Overnight stay.

4

DAY 4

SVOLVÆR-SORTLAND-SAMI EXPERIENCE-HARSTAD (190 KM)

Breakfast. We continue along the route between snow-covered mountains, bridges and small villages to Sortland, the center of the Vesterålen archipelago, surrounded by majestic mountains and fjords. Free time for lunch on your own. An authentic Sami experience awaits us here. We visit a reindeer farm, where we learn more about Sami culture and hear their traditional songs, sitting around the fire inside a lavvu, the typical Sami tent. Continue to Harstad, the cultural capital of the Vesterålen archipelago. Overnight stay.

5

DAY 5

HARSTAD-TROMSØ (300 KM)

Breakfast. Departure by fast boat to Tromsø, in the morning or afternoon, depending on availability. For an early departure, breakfast will be a picnic. Free time and the chance to take an optional excursion in Tromsø. Among other options, we recommend a snowmobile safari or a cruise with dinner hunting for the northern lights. See the optional activities section for more information. Overnight stay.

6

DAY 6

TROMSØ

Breakfast. Free time to enjoy your last moments in Tromsø. We recommend walking along the main street, Storgata, ideal on foot, where you can see historic wooden buildings that survived the great fire of 1969. The central square holds the picturesque Music Pavilion and the old town hall. You can also visit Tromsø Cathedral, one of the largest wooden cathedrals in Norway, or the Perspective Museum, housed in a beautiful neoclassical mansion, with exhibitions of documentary photography and social themes. Near the bridge is Skansen, the oldest place in the city, where you can stroll around the fortress area and see the little white wooden houses by the harbor. Transfer to the airport on your own, with the option of booking one for an extra charge. End of services.
