- Ranua Polar Zoo, with Arctic species in a forest setting
- Two departures with the guide in search of the northern lights in the Ounasvaara area

Day by day

1

DAY 1

ROVANIEMI

Arrival in Rovaniemi, the capital of Finnish Lapland. Welcome to Finland, the land of a thousand lakes. Lapland is one of the most special destinations for those who dream of an authentic winter setting. The contrasts are part of its appeal: the 24 hours of sunlight in summer give way to the freezing days of winter. The bustle of the towns and ski resorts is a few minutes from the peace of the wilderness. Transfer to the hotel not included, with the option to book in advance. Dinner on your own on this first night. In the afternoon, meeting with the tour leader in the hotel lobby for an information session, with all the details about your stay in Lapland. Time to be confirmed. Overnight stay.

DAY 2

REINDEER RIDE, HUSKY RIDE, SANTA CLAUS VILLAGE AND NORTHERN LIGHTS

Breakfast. Departure by road to a reindeer farm. There, a traditional ride on a reindeer-drawn sleigh, a quiet way to get to know the local culture and the snowy landscape. The itinerary continues with a visit to the world-famous Santa Claus Village. Lunch buffet at a restaurant in Santa Claus Village or similar. In the afternoon, a husky safari in groups of four people per sled, guided by a professional musher. After this journey, dinner buffet at the hotel. Afterwards, preparation for another included activity. In Finland, the northern lights are called "fox fire". We will enjoy the fresh winter air and the chance to see the northern lights flicker in the sky. We will head out to hunt for northern lights in the Ounasvaara area, accompanied by our guide. A sighting cannot be guaranteed, but the activity is great for those who want to enjoy the long polar night outdoors. Overnight stay.

3

DAY 3

RANUA WILDLIFE PARK

Breakfast. Departure for Ranua, home to the northernmost zoo in the world, near Rovaniemi, in Finnish Lapland, specialized in Arctic species in large natural forest habitats. Ranua Wildlife Park lets you see Arctic species up close in their natural environment. Lunch buffet in Ranua. After returning to Rovaniemi, free time to rest before a home-style dinner buffet at the hotel, with a variety of main courses and seasonal side dishes. In the evening, two optional activities for those who want more adventure: a snowmobile safari with a campfire or a specialized aurora-hunting excursion, which includes a transfer and roasted marshmallows. Overnight stay.

DAY 4

ROVANIEMI AND NORTHERN LIGHTS

Breakfast. Free day to enjoy Rovaniemi and its surroundings at your own pace. You can visit the Arktikum Museum and learn more about the Sami people, descendants of nomadic communities who have lived in northern Scandinavia for thousands of years. Another option is to take part in the many activities in the area, such as snowshoe walks, ice fishing or snowmobile rides. A fun activity for adults and children is ice karting, where you drive on ice and understand why Finland has produced some of the best Formula 1 drivers, such as Kimi Räikkönen. If you prefer to explore on your own, go shopping in town or walk along the bank of the Ounasjoki River to see the winter landscapes of Lapland. Ask the tour leader for advice, who will be available to help you make the most of Lapland. Free time for lunch. In the evening, last group excursion hunting for northern lights in the Ounasvaara area, guided by our tour leader. Dinner buffet and overnight stay.
