Visit to the old town of Sibiu, a European capital known in its day for its system of fortresses, considered the largest in Transylvania, with more than 7 km of walls, of which important remains survive today. DAY 3

SIGHIȘOARA-TÂRGU MUREȘ-GURA HUMORULUI

Breakfast. Guided visit of Sighişoara, the most beautiful and best preserved medieval city in Romania. Its construction dates largely from the 14th century, when it was quickly expanded and reinforced after the destruction by the Tatars in 1241. 9 of the original 14 towers survive: those of the blacksmiths, shoemakers, butchers, tailors, tanners and coppersmiths, among others. We admire the city's most beautiful and best-known monument, the Clock Tower, built in the 13th and 14th centuries and, until 1556, the seat of the City Council. We continue to Târgu Mureş. Short panoramic visit of the city, famous for its squares surrounded by Secession-style buildings, the most impressive being the city hall and the Palace of Culture. Lunch on the way. We continue to Bukovina, a region of Moldavia whose name appeared in 1774 and means "the land covered with beech forests". Famous for its beautiful landscapes, Bukovina is even better known for its frescoed monasteries, built between the 15th and 16th centuries under the main Moldavian princes, such as Stephen the Great and his son Petru Rareş. Visit to Voroneț monastery, from 1488, called the Sistine Chapel of Eastern Europe and considered the jewel of Bukovina for the famous cycle of exterior frescoes that decorate the church, the most famous of them "The Last Judgment". Overnight stay.

DAY 4

GURA HUMORULUI-BUKOVINA MONASTERIES-PIATRA NEAMT

Breakfast. We stay in Bukovina, with a visit to Moldoviţa monastery, from 1532, surrounded by fortifications and with exterior frescoes. The exterior frescoes highlight the Moldavian style, seeking maximum realism in scenes of everyday life, with humanized characters. Visit to Sucevița monastery (1582-84), known for the important fresco "The Ladder of Virtues" and for its imposing wall. Lunch on the way. In the afternoon, visit to Agapia monastery, from the 17th century, famous for the museum that holds beautiful icons and embroidery and for the workshops where the nuns work. After the visits, we continue to Piatra Neamt, a city that, for its beauty and its position in Neamt county, is also called the "Pearl of Moldavia". Overnight stay.

5

DAY 5

PIATRA NEAMT-BICAZ GORGE-BRAȘOV-BRAN-BRAȘOV

Breakfast. Departure for Braşov. We pass through the Carpathian range, crossing the Bicaz Gorge, the most famous canyon in the country, 10 km long, formed in Mesozoic limestone rocks 300 to 400 m high, next to Red Lake. Continuation to Braşov. On arrival, visit to one of the most fascinating medieval towns in Romania, where we admire Council Square with the Black Church (Biserica Neagră), the largest Gothic church in Romania, and the old fortifications of the city, with the bastions of the craft guilds. Lunch at a restaurant. Departure for Bran and visit to the Castle, known as Dracula's Castle, one of the most picturesque in Romania, built in the 13th century by the Teutonic knight Dietrich and restored in successive periods. From 1920, Bran Castle became the residence of the kings of Romania, until 1948, when it was taken over by the Communist occupation forces. Return to Braşov. Overnight stay.

We dedicate the whole afternoon to visiting the Romanian capital, with its grand avenues, the glorious Belle Époque buildings, the Arch of Triumph, the Romanian Athenaeum, Revolution Square and University Square. Walking visit of the old town, with Stavropoleos Church, considered a masterpiece of Romanian architecture. Built in 1724, it has a three-lobed plan, a tower over the nave and a beautiful marble portal with five multi-lobed arches.
