Day by day

1

DAY 1

ROVANIEMI

Arrival at Rovaniemi airport. Transfer to the hotel at the passenger's own cost. Check-in is available from 15:00. If the flight arrives before that time, you can leave your luggage and explore the city on your own. Overnight stay.

2

DAY 2

ROVANIEMI - ICE HOTEL - KIRUNA (341 KM)

Breakfast. Before heading to Swedish Lapland, we visit Santa Claus Village, on the Arctic Circle, with Santa Claus's personal office and official post office. For organizational reasons, the visit to the village may move to day 8 of the program. Continuation to Kiruna, through the legendary lands of the Sami. We visit the ice hotel in Jukkasjärvi, to see the structure and the area that stays open all year. Arrival in Kiruna and overnight stay. In the evening, those who wish can walk through the center of Kiruna with the guide to the town church, one of the largest wooden churches in Sweden. Dinner and overnight stay.

3

DAY 3

KIRUNA - ABISKO NATIONAL PARK - LOFOTEN ISLANDS (379 KM)

Breakfast. Departure for Norway through Abisko National Park. Nature dominates these lands, still little altered by people. Abisko has wide, wild landscapes, with high mountains overlooking valleys, plains, forests and rivers. Before crossing into Norway, we take a short walk in this corner. Continuation to the Lofoten Islands, in Norwegian territory. Overnight stay.

4

DAY 4

LOFOTEN ISLANDS - SORTLAND (425 KM)

Breakfast. Today we keep exploring the Lofoten Islands along the E10, considered a national tourist route, with the characteristic Lofoten view: a contrast of steep peaks, white sand beaches and emerald sea. Along the coast there are scattered fishing villages, with the typical "rorbu", red houses, often on stilts. If road and weather conditions allow, we reach the small village of Å and visit the fishing village museum. After visiting and photographing the most characteristic villages of the Lofoten Islands, we continue to the Sortland area. Dinner and overnight stay.

5

DAY 5

SORTLAND - TROMSØ (300 KM)

Breakfast. Boarding in Andenes a ferry to Gryllefjord, to cross the fjord of the same name, also known as "the whale route". This stretch of sea is home to many cetaceans, which gather daily in these waters to feed on fish and plankton. Orcas, humpback whales, fin whales, dolphins and many other species can be seen, with a bit of luck, during the crossing (this route may be replaced by road for operational reasons). Continuation to Tromsø, with another short ferry ride. Arrival and panoramic walk with the guide. Tromsø is considered the capital of northern Norway and of the Norwegian Arctic region. Human settlements in the Tromsø area go back thousands of years, although the city was founded about 200 years ago. Tromsø soon became the hunting center of the Arctic region and, in the early 1900s, it was already the starting point of Arctic expeditions. Hence the nickname "The Gateway to the Arctic". Overnight stay.

6

DAY 6

TROMSØ - KAMØYVÆR AREA (NORTH CAPE) (517 KM)

Breakfast. Departure for the North Cape. Today is a long day. We make two short crossings in the northern fjords, from Breivikeidet to Svensby and from Lyngseidet to Olderdalen. Stop for lunch on your own on the way. After reaching the Kvænangen fjord, we continue to the heart of the Arctic region of Finnmark, where human presence is almost imperceptible, except for the Sami (Lapp) camps and the reindeer herds by the roadside, on the stretch that crosses the wildest tundra, at the borders of continental Europe. In the Honningsvåg area, we learn about the life, history and anatomy of the Arctic king crab, typical of the region, and have dinner with a dish based on this crustacean. Then we leave for a night excursion to the North Cape promontory. If the sky is clear, the sun, the play of light on the horizon and the unique beauty of the place leave a lasting memory. Overnight stay.

7

DAY 7

KAMØYVÆR AREA - SAARISELKÄ (429 KM)

Breakfast. Departure for Finland. Before crossing the border, we stop for an included lunch on the way. Then, continuation to Inari, in Finnish Lapland. Here we visit the Siida Sami Museum, dedicated to Sami culture and the nature of the far North. The Siida offers visitors a permanent exhibition route and a calendar of temporary shows, events and seminars on the culture, nature, history and traditions of the Sami and the far North. Continuation to Saariselkä, in the heart of Finnish Lapland. Dinner and overnight stay.

8

DAY 8

SAARISELKÄ - ROVANIEMI (257 KM)

Breakfast. Today we return to the starting point, Rovaniemi, through beautiful landscapes. Overnight stay.

9

DAY 9

Breakfast. Transfer to the airport at the passenger's own cost. End of services.
