ISTANBUL

Arrival at Istanbul International Airport (IST). Go to the meeting point at exit gate 9. Transfer to the hotel. Overnight stay.

2

DAY 2

ISTANBUL

Breakfast. Free day. Optional excursion "Jewels of Constantinople", with lunch included. Departure at 8:00 (time to be confirmed) to visit the historic center of the city, where you can see the traces of the different empires that shaped today's Istanbul: the Roman Hippodrome, the center of Constantinople's social life for thousands of years, where you also see the Obelisk of Theodosius, the Obelisk of Constantine and the German Fountain. The Blue Mosque, with more than 20,000 handmade ceramic tiles brought from Iznik. Panoramic view of Hagia Sophia (interior visit with a surcharge, please ask), built in the year 537 as an architectural wonder that served as a church, a mosque and also a museum. From the outside, the structure impresses with its enormous dome, which was a remarkable technical achievement at the time and remains one of the largest domes in the world. We go on to Topkapi Palace, home of the Ottoman sultans for more than 400 years, where we visit the royal gardens, the kitchens and the royal treasury rooms. See the Harem, where the sultan's wives and children lived, famous for its luxurious decoration. We continue with the Church of Saint Irene (Aya Irini), a Byzantine church that was not converted into a mosque, and we end the tour at the Grand Bazaar, one of the largest and oldest covered markets in the world, where bargaining is tradition. Overnight stay.

3

DAY 3

ISTANBUL / CAPPADOCIA (FLIGHT)

Breakfast. Free day, with an optional excursion "Pearls of the Golden Horn and the Bosphorus", with lunch included. Departure at 8:00 (time to be confirmed) to visit the old Jewish quarter of Balat, the Greek quarter of Fener and take in the views of the "Golden Horn". Then, visit the Cathedral of Saint George and the Mosque of Suleiman the Magnificent, which has the largest dome among the mosques of Istanbul. We go on to the Spice Bazaar, a place to buy teas, herbs, dried fruits, typical sweets and, of course, spices. We finish with a boat trip on the Bosphorus, seeing the Ottoman fortresses, the palaces, the mansions and the bridges between Europe and Asia. The Flavors of Istanbul itinerary presents the city's gastronomy through its most traditional flavors, combining history, culture and local cuisine. Transfer to the airport for the flight to Cappadocia. Arrival and transfer to the hotel. Dinner and overnight stay.

4

DAY 4

CAPPADOCIA

Breakfast. Departure around 8:00 to visit the region, with its original landscape formed by volcanic lava more than 3 million years ago. We start at the Göreme Open-Air Museum, a monastery with chapels carved into volcanic rock and decorated with frescoes from the 13th century. We continue through the valleys of the region, with "otherworldly" landscapes, where you see the symbols of the local geological formations, the famous "fairy chimneys". We stop to enjoy the wide panoramic view of some of the valleys of volcanic rock in spectacular shapes. We continue to the underground city of Cappadocia, one of the many engineering works built by ancient local communities to protect themselves from attacks throughout history. At the end of the route, visit a carpet and gemstone center. Return to the hotel. Dinner and overnight stay. Optional excursions are available, such as the "Turkish Night", with folk dances in a cave, the "Jeep Safari" through the valleys of the region or the "Balloon Ride", early in the morning, to see the landscape from above.

5

DAY 5

CAPPADOCIA / PAMUKKALE

Breakfast. Departure around 6:00 for Pamukkale to visit ancient Hierapolis and the Cotton Castle, a natural formation with a giant cascade, stalactites and natural pools. The name "Hierapolis" comes from Greek and means "sacred city", in reference to the many temples and religious places that existed in the city. One of the most notable points of Hierapolis is the theater, which had room for thousands of spectators and is still largely preserved. The city gained recognition as a popular spa and healing destination, for its natural thermal waters and white limestone pools. These mineral-rich waters created terraces and natural cascades known as "Pamukkale", which means "cotton castle" in Turkish. Pamukkale and Hierapolis are on the UNESCO World Heritage list for their historical importance and natural beauty. The region is also known for cotton production, and there will be a chance to see locally made textile products. Dinner and overnight stay.

6

DAY 6

PAMUKKALE / SELÇUK / IZMIR / KUŞADASI / ISTANBUL (FLIGHT)

Breakfast. Departure around 8:00 to visit the House of the Virgin Mary, located on a nearby hill. The place is venerated as the last home of the mother of Jesus, who, according to Christian tradition, spent her last years in Ephesus under the care of the apostle John. Today the house is an important pilgrimage site for Christians and Muslims, who consider it a sacred place. We pass through Selçuk for a panoramic visit of the city, rich in history, seeing the Ottoman castle, the Basilica of Saint John and the Temple of Artemis, which established Ephesus as an important religious and cultural center of Antiquity. We continue the visit at a showroom specializing in leather pieces and sheepskin products, famous for their lightweight pieces. Transfer to the airport for the return flight to Istanbul. Arrival and transfer to the hotel. Overnight stay.
